

# THE COOMBE BARTON INN

## COVID-19 INFORMATION

Dear customer, please read the following before coming to the pub

As pleased as we are to be re-opening, we have to advise that for the foreseeable future the pub will be operating on a much smaller scale than we are accustomed to due to the current situation with Covid 19.

**We'll only be operating for food and drinks outside the pub from July 4th, and we'll open internally only when it is safe to do so.**

While it is our intention to make your visit as safe and enjoyable as possible we have to be very careful in making the pub a safe working environment for our staff as well.

**The car park** will remain closed for the summer period. It will be used as a beer garden and for staff parking only.

**You will not be allowed into the Public House or beer garden at any time without booking a table in advance.**

**If you have a booking**, please come to the car park entrance and wait at the outside door to be directed to your table.

**You will be asked to sign a register with your name, phone number and post code.**

**As per guidance the maximum size per table will be 6 people.** All tables have been distanced and cannot be moved to accommodate larger groups.

**Unfortunately, dogs will not be allowed in the premises until further notice.**

**Children must remain seated at all times and be supervised if requiring the toilet.**

**The sea entrance to the pub will remain closed** and used as a takeaway food and beverage dispensary if you want to remain outside.

**You cannot sit at a table without a prior booking** as we have to ensure the area has been correctly sanitized and ready to be re-used.

**The car park will be used as a beer garden weather permitting and the upper patio adjacent to the function room will be used for eating only. Again weather permitting.**

**The toilets are for customers only and will have to be closed on a regular basis for cleaning.** There are public toilets adjacent to the beach if required. Unfortunately, the toilet area is very restrictive as it is close to the entrance. We ask everyone to be patient and only 1 person to be in the toilets at any one time.

**The kitchen will be serving lunch 12-2.30pm and dinner 5-9pm.** Table service will be provided where possible. Our menu will be much more concise and be published on our website and The Coombe Barton Facebook page. There will not be as much choice as per Government advice. We will not be offering starters at present, or if we do they will come at the same time as your main meals to avoid delay. Desserts will be limited. Therefore, if you are eating outside please ensure you have your table number and all relevant information to hand prior to ordering to avoid delays.

**Although we are operating at a reduced capacity we are happy to try and accommodate take away food where possible.**

**We ask people to be patient, to be kind and considerate to others and our staff.**

**Please social distance. Please respect the pub.** These are difficult times and we have no experience working under these limitations and are learning all the time. We have to remain safe or the pub will be forced to close again if there is a risk of infection or danger to our staff.

*Thank you*
